Ooh oh. Ooooh oh.  
I remember all the things she'd say.  
I have never seen a girl walk in the room that way.  
(She said) Ooh. You know you are my type I don't  
really mean to build  
up the hype. I think you and I could get along.  
Just what I wanted she had what I needed.  
I guess we could have a hell of a time, I know.

Party don't stop when you're around little girl making a  
whole lotta sound.  
Just let go and lose control tonight.  
Surely you'll try to find the better way the record spins  
and we'll be okay. Dancin free just you and me tonight.

Come on, come on, come on, come on, ooh oh, ooooh  
oh.

So where do we go from here.  
My feelings grew stronger every time she came near.  
Lookin fly. Yeah.  
Something tells me that she's going to be mine.  
Just what I wanted she had what I needed.  
I guess we could have a hell of a time, I know.

Party don't stop when you're around little girl making a  
whole lotta sound.  
Just let go and lose control tonight.  
Surely you'll try to find the better way the record spins  
and we'll be okay. Dancin free just you and me tonight.

Her eyes can take ahold of me feelin how it's supposed  
to be.  
She's got me goin on and on so long, don't stop.  
I wonder if it's all a dream wakin up to memory here  
you are right next to me.

Party don't stop when you're around little girl making a  
whole lotta sound.  
Just let go and lose control tonight.  
Surely you'll try to find the better way the record spins  
and we'll be okay.

Dancin free just you and me tonight.
