It's been a long, long time  
Since I felt that strong hunger inside  
My revolution's on the rise!  
This round, I won't be denied!

Cause I'm hanging tough  
And I've had enough  
Of listenin' to bullshit and lies  
I'm climbing the mountain of love  
Bitch, I called your bluff  
I know who I am, step aside!

Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm in and I'm in to win it!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I know what I want, I'm gonna get it!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm through with hidin' & pretendin'!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm Never Givin' Up!

Shattered, broken-hearted dreams  
Can't bear, to hear the voice of freedom- SING!  
Criticisms, to make you feel insecure and weak  
Gotta fight- like you're takin' - the last breath-  
OF YOUR LIFE!

Society, lovers, friends and families  
Always telling you, you can't do that  
Well, devil, it's time that you know  
That my soul can't be sold  
Turn that bitch-of-a-lie of ~NO, YOU CAN'T!  
Into- ~YES, I CAN!

Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm in and I'm in to win it!  
Never-Never-Never-Never-Never-Never- Give

Up!  
I know what I want, I'm gonna get it!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm through with hidin' & pretendin'!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm Never Givin' Up!

Here's my big, white ass- you can kiss it!  
Screw you! I'm pullin' my pants back up  
you're going to miss it!  
The dirty truth! 69 my rhyme and milk it!  
Two 2 tango, 1 to win!

She can't go to heaven cause she's not a  
Christian!  
And, he can't be the president cause he's a  
black man!  
And, they can't marry 'em cause they're not  
one man and one woman!  
Success is the sweetest revenge!  
Sing!

Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm in and I'm in to win it!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I know what I want, I'm gonna get it!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm through with hidin' & pretendin'!  
Never-Never-Never-Never-Never-Never- Give  
Up!  
I'm Never Givin' Up!

Time is up  
I gotta go  
One last thing that you should know  
(I'm in and I'm in to win it!)  
Everything you did to me!  
You already done to you!  
(I know what I want, I'm gonna get up!)  
I'm not afraid to walk alone!  
I'm Never Givin' Up!
