Close your eyes and relax babe,
let me get behind you and let my rhythm slowly,
take control of your groove,
get you in the mood girl,
now we rollin,
oh girl,
you're one with me now,
welcome to my world,
movin to the beat oh baby,
the vibe is poppin and the mood is right,
there aint nothin better,
than bein with my lady tonight,

Chorus:

So lets just take our time,
we got the whole night,
girl its just you and me,
lets make it right,
baby follow my lead,
we'll start out slowly,
girl its just you and me,
lets dance all night,

verse2:

we can speed it up or just keep it slow,
it doesnt matter as long as you're in my arms,
just grab a hold of me my girl,
you're doin good,
oh girl,
you're one with me now,
welcome to my world,
movin to the beat oh baby,
the vibe is poppin and the mood is right,
there aint nothin better,
than bein with my lady tonight,
