No matter where I am  
No matter where you are  
No matter where we are  
You're my shooting star

Wakime mo furazu ni tokei shikake no machi wo  
Hitori de arui teta (so let me love you, so let me love)  
Ano yoru sora kara koboreta hikari no you ni  
Kiseki ga maiorita (so let me love you, so let me love)  
Girl kanjita koto no nai tokubetsuna kono kimochi wo  
Oshiete kureta your heart

My shooting star  
Tomerarenai toki no naka de  
Bokutachi ni owari ga kite mo  
Kimi dake wo omoi tsuzukeyou  
(Baby let me make a wish, you're my shooting star)  
Try try try boku no subete  
Kono love love love sasagerukara  
My shooting star  
Ima wa tada soba ni itai yo  
(Baby let me make a wish, you're my shooting star)

Ai no imi sae shirazu iki teta kuuhaku no hibi  
Kimi ga nanairo ni somete iku (my life, my life, my life,  
my life)

Darenimo misezu ni kakushi teta itami sae  
Itsushika kiete ita (so let me love you, so let me love)  
Girl tada iku ate mo naku mayoi tsudzuke teta boku ni  
Ibasho wo kureta my place

My shooting star  
Boku wa kimi no te wo tsukanda  
Hajimete kimi to fureta yoru  
Are ga saigo no yorudatta  
(Baby let me make a wish, you're my shooting star)  
Shine shine shine itsumo kimi no  
Sono smile smile smile kagayakukara  
My shooting star  
Kimi dake wo mitsume tetai yo  
(Baby let me make a wish, you're my shooting star)

Yeah I can see you baby  
LEGGO  
No matter how far I can see you smiling  
No matter how far I can see you crying  
(No denying) Cuz I can't hide it  
(My Shooting Star) I can see you shining

Girl, I never felt like this  
Todoki wa shinaikedo (make a wish)  
Hey you're my shooting star  
My shooting star  
My shooting star  
My shooting star

My shooting star  
Futo fureta kimi no yubisaki  
Yawarakai sono nukumori wa  
Itsu made mo kie wa shinai yo

No matter how far (no matter how far)  
You will always be (you will always be)  
My Shooting Star

Wow oh oh...

Baby you're my shooting star  
Try try try boku no subete  
Kono love love love sasagerukara  
My shooting star

My shooting star  
Boku wa kimi no te wo tsukanda  
Hajimete kimi to fureta yoru  
Are ga saigo no yorudatta  
(Baby let me make a wish, you're my shooting star)  
Shine shine shine itsumo kimi no  
Sono smile smile smile kagayakukara  
My shooting star  
Kimi dake wo mitsume tetai yo
