Penso il passato tornerÃfÃfÃ,Ã solo un giorno
Per portar via questa notte anomala

Quando domani tornerai
In altra vastitÃfÃfÃ,Ã latente

Penso il passato tornerÃfÃfÃ,Ã anche solo un giorno
Lacrime azzurre asciugherÃfÃfÃ,Ã

Quando domani tornerai
Sostanza e veritÃfÃfÃ,Ã

You were alone that day
Behind the screaming crowd, that day
And the rain started falling down
To soothe the thirst for slaughterings

And tomorrow other thunderstorms will come
From east as usual
Then we'll enjoy them with a smile

You were alone that day
Behind the screaming crowd, that day
