

Crossing The Border "Sorry"

Visit "[Sorry](#)" on MotoLyrics.com

When it started we were both the same
But then they took control
Like we were just a game
I didn't know they were going to take you, from me
And now there's one thing I can be

And I'm sorry
I wasn't what you wanted
And I'm sorry
That I will never be
No matter how hard you try to change me
There is only one thing I will be
And that's sorry
I am sorry

I tried to be there when they took you
But I didn't make it
They took my favorite parts about you
And then they changed it
And now asking you're asking me to do the same
But I don't want to be the one to blame

And I'm sorry
I wasn't what you wanted
And I'm sorry
That I will never be
No matter how hard you try to change me
There is only one thing I will be
And that's sorry
I am sorry

Don't ask me to do it
Don't ask me to change myself
They took who you were
And they placed it on a shelf
Don't ask me to do it
Don't ask me to change myself
Or I'll have to avoid you
Because I can't change myself

And I'm sorry
I wasn't what you wanted

And I'm sorry
That I will never be
No matter how hard you try to change me
There is only one thing I will be
And that's sorry
And I'm sorry
I wasn't what you wanted
And I'm sorry
That I will never be
No matter how hard you try to change me
There is only one thing I will be
And that's sorry
I am sorry
