A lesson learned is easier said than done
When you're living in a world
Without the sun
My mind keeps to struggling to remember
I wish I could find a way
To make up for all that I've done
I know the choice was mine
But can you blame me

Yeah, the choice was all mine
But I never thought that I'd
Be the last man standing alone
I miss you here by my side
But darling I can't help but feel like
Love has died

Operator is there anybody at all that
Can explain why I'd give everything
And more up for her
I know it's unbelievable but
Something 'bout her I can't resist
But she doesn't even know I exist
OHH!

So yeah I pulled the plug
But I swore the spark would still be there
Buried beneath the promises and lies

We suffocated in all our own filth
I swear I only wanted what was best
But you just left
I was just lonely
You were in love
But now it seems
That the tables have turned
And I feel so alone

Yeah, the choice was all mine
But I never thought that I'd
Be the last man standing alone
I miss you here by my side
But darling I can't help but feel like

Love has died

Operator is there anybody at all that
Can explain why I'd give everything
And more up for her
I know it's unbelievable but
Something 'bout her I can't resist
But she doesn't even know I exist

Darling won't you forgive me
I'm just looking for
A little bit of love
In this heartbreak city

Darling won't you forgive me
I'm looking for
A little bit of love
But she doesn't even know I exist

All I wanted was to be your love
But now you've left and
I can not fill the void

All I wanted was to be your love
But now I'm finally moving on

HaHaHa
I don't give a FUCK!

I waited all this time to watch you
Jump out of my life
If I knew you'd only wanted me for
Just a single night
I wouldn't left
And never had came
But you had to beg me to
Fall in again and now I'm just your slave

Operator is there anybody at all
That can I explain why I gave
Everything and more up for her
I know I sound so gullible
But something 'bout her just drew me in
But that bitch didn't even notice me

Operator is there anybody at all that
Can explain why I'd give everything
And more up for her
I know it's unbelievable but
Something 'bout her I can't resist
But she doesn't even know I exist

Darling won't you forgive me
I'm just looking for
A little bit of love
In this heartbreak city

Darling won't you forgive me
I'm looking for
A little bit of love
But she doesn't even know I exist
