I got the feeling
Deep inside me
I sat on the rooftop
To find my way back home
Summer wind whispered
I was set free
I've found all my roots
I'm alive, I'm here, I'm strong

Standing out loud
Wash me in rain
Nothing else matters again
Yeah

We learn from our mistakes

I got the feeling
Deep inside me
I drink from the river
I find a place to go
And everyone will say
He was born free
I've found all my roots
I'm alive, I'm here, I'm strong

Standing out loud
Wash me in rain
Nothing else matters again
Yeah

We learn from our mistakes

It's like a river I can't settle down
Once I'm in
If I'm lost
Take my name
If I drown
meet me at the end
Where both sides are the same

We learn from our mistakes
Where both sides are the same
