shawty crazy, attitude, crazy,

crazy, i make the boys go crazy,
and make them all like they think you're crazy, crazy,
shawty crazy, attitude, crazy,
i know i got you looking at me, looking at me
crazy, i make the boys go crazy,
and make them all like they think you're crazy, crazy,

now you look crazy with your lip out poked out
so sorry baby, oh no, so sorry baby
sorry is my crazy ways, got you feeling crazy babe
i had to be nimble and i had to be quick
cause i had to get away from your crazy stick

crazy, i make the boys go crazy,
and make them all like they think you're crazy, crazy,
shawty crazy, attitude, crazy,

crazy, i make the boys go crazy,
and make them all like they think you're crazy, crazy,

i'd rather make you pound down
so you better clear around, cause no one does it like
me
i say polish is a little crazy, but i'm so sexy
that's why you always get your boys looking at me

shawty crazy, attitude, crazy,
i know i got you looking at me, looking at me

and make them all like they think you're crazy, crazy,

i like to get in their brains before i beat up their walls
you're so nasty, i give it to you now, you will never be
the same
so â€¦ i'd rather have you crazy, deranged, more paper
planes,
and more rosee
in the â€¦ the more they stay and around me, hold up i
been on the â€¦

shawty crazy, attitude, crazy,
i know i got you looking at me, looking at me
crazy, i make the boys go crazy,
and make them all like they think you're crazy, crazy,
shawty crazy, attitude, crazy,
i know i got you looking at me, looking at me
crazy, i make the boys go crazy,
and make them all like they think you're crazy, crazy,
shawty crazy, attitude, crazy,
i know i got you looking at me, looking at me
crazy, i make the boys go crazy,
and make them all like they think you're crazy, crazy,
