Gothic Gotham City on a chillin'™ night
There was a scream from a dream
That started a fright
I turned around to a sound
That made me stiff
And a feisty feline offerin'™ me a lift

And she said "BATMAN"™ won't you come over here
And she said "BATMAN"™ you have nothing to fear
And she said "BATMAN"™ won't you step inside
But please can you put these underpants on?

Good golly! I like wearing Batman's™ skantz
Good golly! I like wearing Batman's™ skantz
Good golly! I like wearing Batman's™ s'â€¦â€¦â€¦.

They were grey coloured pants right up to my waist
I said "lady, you have the most disturbing taste"™
I could tell from the smell they'd been worn before
And the knicker elastic really made me sore

And she said "BATMAN"™ won't you come over here
And she said "BATMAN"™ you have nothing to fear
And she said "BATMAN"™ won't you come inside
But please can you keep your underpants on?

Good golly! I like wearing Batman's™ skantz
Good golly! I like wearing Batman's™ skantz
Good golly! I like wearing Batman's™ s'â€¦â€¦â€¦.

Holy Smoke Batman!

Cave dwelling creatures that come out in the night
They gave her thrills and her shrills and nocturnal delight
She had a frown at the brown in my smelly pants
And a feast on the beast in Batman's™ skantz

And she said ~BATMAN~ won't you come over
here
And she said ~BATMAN~ won't you come over
there
And she said ~BATMAN~ won't you come
everywhere
But please can I try your underpants on?

Good golly! I like wearing Batman's skantz
Good golly! I like wearing Batman's skantz
Good golly! I like wearing Batman's ~!~!

Repeat Chorus
