Visit "[Dr. Gelati & The Lemon Garden](#)" on MotoLyrics.com

Once in lemon scented Palermo  
A danger lurks in the garden  
A dark and sinister creed  
Who lives for money and greed  
And is bound by an oath of loyalty  
A murderous secret society

We are many yet we are few  
We are evil but we are you  
Weâ€™re the best with many heads  
Weâ€™re the nightmare in your beds  
Weâ€™ve got lawyers, judges, bankers, soldiers too

I am beautiful and I am bold  
Iâ€™m a killer and I am cold  
Just remember when we meet  
I have toothache be discreet  
Or youâ€™ll end up lying, dying in the street

Chorus

Oh, you men of honour  
Oh, you men of class  
Behold, you men of honour  
If you donâ€™t play the game  
You will live a life of shame  
And youâ€™ll feel the wrath of mafia tyranny

Bernadino, what a hero  
A socialist like Sicilyâ€™s never seen  
With his peasant federation  
He attacked our very nation  
â€™til we ran him down and shot him in the spleen

Mussolini, fascist bastard!  
A scum bag of right wing tyranny  
He very nearly had us  
With his leather and his blackshirts  
â€™til the yanks delivered us â€™libertyâ€™

Chorus

Joe Bananas, Americanos  
Sicilian by birth through and through  
Narcotics we control  
We destroy your very soul  
And weâ€™ll kill you if you turn the other way

Luciano, heâ€™s the capo di capo  
And you should live in fear  
When youâ€™re lying in your bed  
He will shoot you in your head  
Heâ€™s a crazy motherfucker, heâ€™s insane

Chorus

So hereâ€™s a warning to all of Italy  
You cut our throats? Be prepared for what you see  
For the smell of mafia has a lure  
To the rich, the powerful and the poor  
And the blood that will flow from our veins  
Wonâ€™t wash away all your shame

Chorus
