Freedom, freedom, freedom
Freedom, freedom, freedom

Hear what I say yeah
Hear what I say in the name of justice
Hear what I say yeah
Hear what I say in the name of love

Hear what I say yeah
Hear what I say in the name of freedom
Hear what I say yeah
Hear what I say in the name of love

So don't you look at me that way
I'm your brother, I'm your sister
And very soon there'll come that day
When we all rise up
And send you to your justice day

Chorus

Hear what you say yeah
Hear what you say when you quote the prophets
Hear what you say yeah
Hear what you say when you pass the blame

Hear what you say yeah
Hear what you say when you point the finger
Hear what you say yeah
Hear what you say when hide your shame

So don't you look at me and say
"We got to pray yeah we got to pray yeah"
You can't hide the truth that way
We see your crime
I think it's Armageddon Time

Chorus

So don't you look at me that way
I'm your brother, I'm your sister
And very soon there'll come that day

When we all rise up
And send you to your justice day

Chorus
