Mr. Bond
allow me to introduce myself
Just in case
you mistake me for someone else
I am the one
who gives you the bullets for your gun
That being said
I don't expect them aimed at me and fired through
my head

~Cos I'm hearing now
I'm living in fear of you now
Precisely my point, Mr Bond
You've a licence to kill
Enjoy the thrill

Mr. Bond
A postcard from a foreign land
Written in
A language I don't understand
I never knew
The things you told me weren't true
But now I know
The only safe conclusion is that you will have to go

~Cos I'm hearing now
I'm just disbelieving now
Precisely my point, Mr. Bond
You've a licence to kill
Enjoy the thrill

Last night when I held you in my arms
Your heart yearned for a place you'd only dreamed
of
I'll never forget the look in your eyes
When you asked me who it was they were scared of
How fragile the life I gave to you
I'll take away the demons if I could
They whisper they'll take you away
But I'll be here to block their way
I hope to God they rue the day
Peace be with you

Assalamu a-laikum
Peace be upon you, my Love

Sealed with a kiss
A passport written by the Queen
For all to see
In the wreckage of a thousand dreams
I heard it said
Their children will thank us for their deaths
But if it were me
Iâ€™d find all those responsible and drag them to their
knees

â€™Cos Iâ€™m hearing now
All hopeâ€™s disappearing now
Precisely my point, Mr Bond
Youâ€™ve a licence to kill
Enjoy the thrill
Enjoy the thrill
Enjoy the thrill
Enjoy theâ€¦â€¦.thrill
