Maybe there's more to life  
Than just writing songs.  
Maybe not.  
Maybe there's more to life  
Than just righting wrongs  
Maybe not.

I grow so cold, you reach for gold  
I fail to hold your attention.

[chorus:]  
Their pretty boy ways  
Always take you away,  
Take you away.  
My revenge on seattle -  
I retreat from the battle.  
Won't you stay?

Maybe there's more to life  
Than just biting tongues.  
Maybe not.  
Out of the sky  
And left to die -  
Believing the lie of protection.

[chorus x2]

Maybe there's more to life  
Than just writing songs.  
Maybe not.
