Bust!
Not important - not to me, not to you
This is always something we always have to go through
fuck what they said
If you believe what you hear,
you deserve what you were fed
Please don't waste my time
Don't ask me if it's true
I'll just tell you what you want to hear
And hope trouble finds you
Can't figure it out, I don't care
You gotta believe what they say
That's all that you should hear - Bullshit everyday
Please don't waste my time
Don't ask me if it's true
I'll just tell you what you want to hear
And hope trouble finds you
Everybody knows and everybody talks
Everybody sees but no ones saying nothing
Its no use - get a clue
It's time that someone fuckin told you
Take apart what I say
You change nothing anyway
Are you done?
Nice try
Heard it before,
Goodbye
