I don't know what you want from me,
I don't know what you want me to be.
In my dreams it's so easy to see,
In my dreams it's so clear.

[chorus:]

I look for my face in the patterns on the wall,
I look for my shape in the way the flowers fall.
I look for my faith in you -
You grow more beautiful
As I fade away.

I don't know what you want me to say,
I don't know if you want me to stay.
In my dreams I find a way -
In my dreams I seize the day.

[chorus]

You grow more beautiful...

[chorus]

I look for my faith in you -
You grow more beautiful
As I fade away.

I look for my faith in you -
You grow more beautiful
As I fade away.
