[Bridge]

Pour up, drank, head shot, drank
Sit down, drank, stand up, drank
Pass out, drank, wake up, drank
Faded, drank, faded, drank

[Verse 1: Kendrick Lamar]

Now I done grew up
Round some people living their life in bottles
Granddaddy had the golden flask
Back stroke every day in Chicago
Some people like the way it feels
Some people wanna kill their sorrows
Some people wanna fit in with the popular
That was my problem
I was in the dark room
Loud tunes, looking to make a vow soon
That I'mma get fucked up, fillin' up my cup
I see the crowd move

Changing by the minute and the record on repeat
Took a sip, then another sip, then somebody said to
me:

[Hook]

Nigga why you babysittin only two or three shots?
I'mma show you how to turn it up a notch
First you get a swimming pool full of liquor, then you
dive in it
Pool full of liquor, then you dive in it
I wave a few bottles, then I watch em all flock
All the girls wanna play Baywatch
I got a swimming pool full of liquor and they dive in it
Pool full of liquor I'mma dive in it

[Bridge]

Pour up, drank, head shot, drank
Sit down, drank, stand up, drank
Pass out, drank, wake up, drank
Faded, drank, faded, drank

[Verse 2: D'NME]

I'm not one to drown in my sorrows but I'm/ (hick up)
Intoxicated for the sixth time this week/
And I'm not letting go of/ this toilet till I (barf) throw up/
What the fuck is with me, challenging women who say
they out drink me/
Bottoms up, oh my that's the whisky talking/
Alcohol why do you influence me often/
Cuz dad was a drunk and he passed it on to me right?/
So in hindsight it's my fate to be just like/
Him yeah that's an accurate assumption/
There ain't no liquor, I can't fully function/
And by now you'd.. Puke if you abused cognac like me/
B I drink past my limit, I admit it I'm guilty/
I drink even if the next one kills me

[Hook]

[Bridge]

I ride, you ride, bang
One chopper, one hundred shots, bang
Hop out. Do you; bang?
Two chopper, two hundred shots, bang
I ride, you ride, bang
One chopper, one hundred shots, bang
Hop out, do you, bang
Two chopper, two hundred shots, bang
