You took the lot and there's only dirt,  
You took the bet and you lost my shirt  
You walked my dog and you let it run away  
You took yourself on a holiday  
You said you needed to get away  
Then I got a postcard from the road...  
Here I must have known you  
For so many years but  
You always seem to slip away...

(Where have you been?)  
I'm been upon the sea  
(Where have you been?)  
Out on the Twilight Zone  
(Where have you been?)  
I've been to the other side  
and it's good to be back home.  
(Yeah yeah yeah)

You're not the best when you drive your car  
Two flat tyres, you won't get far  
You got some air and blew yourself away.  
Here I must have known you  
For so many years but  
You always seem to slip away...

(Where have you been?)  
Laying upon the sea  
(Where have you been?)  
Out on the Twilight Zone  
(Where have you been?)  
I've been to the other side  
and it's good to be back home.  
(Yeah yeah yeah)

(Where have you been?)  
I've been on a rocket ride  
(Where have you been?)  
I've been for a million miles  
(Where have you been?)  
I've been to the other side

and it's good to be back home.  
I said it's good to be back home...
