[Vers 1]

We come into your heart, when you´re high on love We come into your mind, when you feel the rush We come into your soul, when your god is gone We come into your smile, when you want some fun

We come into your feet, when you jump at night We come into your hands, when you wanna fight We come into your legs, when you wanna run We come into your smile, when you want some fun

[Bridge]

Come on feed the *plup*

[Epic Chorus]
