Stellar and lost I just wanted the boss
I don't need a fee cause I am free
No more tears no more fears
I'm just being me so watch me do me

It's satisfaction we wanna fly
It's satisfaction it's not right
It's satisfaction do it tonight
Just bleep me tonight
(house breakbeat)

Stellar to the girls with the pool of whirls
One thing to do the fling
I just wanna know what's going on
We come into your hearts when y'all want some fun

It's satisfaction we wanna fly
It's satisfaction it's not right
It's satisfaction do it tonight
Just bleep me tonight (3x)
Just bleep me (3x)
Bleep Me (4x)
Bleep (12x)
Just bleep me tonight
(house breakbeat)
