DLBZ!!!

Ugh!

Yeah!

Sounds of Revolutionâ€¦!â€¦! Aaahh!

Light the skies

Fill the night

Fires of fury

Yeahâ€¦!

Misery and suffering the greedy impose

Nothinâ€™™ the layman does to oppose, he shows

Weakness, a trait that would cost him the most

His foes enjoy to prey on the weak (the weak)

Come to your senses and tally their woes

Grave and numerous their sins youâ€™™ ll behold, and

so

Brothers, come, rally and flow

To the house of the evil youâ€™™ ve come to know, and

then

Light the skies with the fires of your fury

Fill the night with the sounds of revolution

(Repeat 4 x)

Rage against them with passion untold

Righteous anger you are to display â€” unfold

Seek out the roots of your pain

Burn their relics, donâ€™™ t drive them away (just maim)

Very soon theyâ€™™ ll meet with their fate

By their blood a nation will rise from the ashes

Falter we cannot, weâ€™™ ve heavenâ€™™ s resolve

Letâ€™™ s fix the tradition, ready, set, go

Light the skies with the fires of your fury

Fill the night with the sounds of revolution

(Repeat 4 x)

By their fall, we shall rise (4x)

By their fall, we shall rise (7x)

By their fallâ€¦!, WE SHALL RISE!!!

We shall rise
We shall rise
Hahahahaha!! !

Light the skies with the fires of your fury
Fill the night with the sounds of revolution
(Repeat 4 x)
