I hear your voice
obsessing
still in my view
obsessing

lost in my world
i can't be
without you
posessing

i gotta keep him outta my head
i gotta keep him outta my head

CHORUS

i wanna be alone with you
the sound of everyting that's true
i wanna be alone with you

eyes like a child
noon at night
will be here soon
noon at night
i'll lock the door
i'll be safe
without you
i'll be safe

i gotta keep him outta my head
i gotta keep him outta my head

CHORUS

i wanna be alone with you
the sound of everything that's true
i'll hold you hostage in my room
i gotta be alone with you...

BRIDGE

o L'il boy across the street

you are the one i'd like to eat
i'd like to taste you o so sweet
o L'il boy across the street

CHORUS

i'm like a mirror watching you
(i wanna be alone with you)
just like a knot you can't undo
(i gotta be alone with you)
it's like the silence in my room
(the sound of everything that's true)
i gotta be alone with you

REPEAT CHORUS
