Intro

Men am bout to rip this beat
damidamon going in on this brand new ish (get up)
trust me men we ainâ€™™ t no friends
never been never will be you fu**ing pig (get up)
am taking over on the London scene
making hit after hits so they know the kid (get up)
but they mad yea haters mad
but U ainâ€™™ t got shit on me U better self destruct

Verse 1

I got mad flows control em shows
everybody knows the kid so they come get some
you battle rap I run shows
I break every competition down like Mario
when I get into it I go deep into it
everybody donâ€™™ t want it cause they heard about me
I make you pay when you run your mouth
I donâ€™™ t play U better watch your mouth now
I know they cant stand my sight
cause they just cant figure why am so damn nice
how he get them real nice beats
make em banging hits every god damn time
boy I donâ€™™ t like that kid I wanna get at kid
but I cant stand that kid
na donâ€™™ t hate men donâ€™™ t hate
I hit your ass up mother**ucker donâ€™™ t hate

Hook

I am da brand new kid
am da reason everybody here(I say get up)
I make it hot I make it hot in here
U donâ€™™ t like me I really donâ€™™ t care(I say get up)
I make em I make em scream
and get all up in da groove(I say get up)
am writing hits men I really donâ€™™ t care
let me see you throw your hands in da air (I say get up)

Verse 2

We run this town taking over hard
damidamon run da city hell yea we on top
we kill them shows murk them tracks

tough crew in da building god-damn am da boss
always on top always on my grind
making hits after hits god-damn am on fire
the crowd goes nuts every time we step through
damidamon in da building so the party just started
while we on the case might as well send a message
I never liked your girl so I didnt try to keep her
another mans heaven is another mans hell
I know shes your treasure but she sure was my hell
saw her at the concert shawty so fine
took her back to the crib men I broke that back
I see through her game shes a gold digging bit**
want a piece of my cake kicked her right back to you
hommie keep her

Hook

I am da brand new kid
am da reason everybody here(I say get up)
I make it hot I make it hot in here
U donâ€™t like me I really donâ€™t care(I say get up)
I make em I make em scream
and get all up in da groove(I say get up)
am writing hits men I really donâ€™t care
let me see you throw your hands in da air (I say get up)

Outro

Get up and get into it
youâ€™re now rocking with the kid (I say get up)
and get into it
let me show you all how its done(I say get up)
tough entertainment tough entertainment (I say get up)
tough entertainment tough entertainment
