Verse 1

Now coming up I was that young moth**fucker real tough
growing up wasnt bad men just a lil rough, real talk
damidamon u know I keep it locked on my waist
I dont start no drama but I bust till da end
dont get me wrong I aint saying am gangsta
am saying am hungry hommie I want in
I wanna ride the lamborghinni, ferrari, maserati
a big ass crib with pool parties and honnies
I dream big men hell yea ama make it
ama shoot for da stars till aint no more to aim for
tryna stop me (no) tryna hold me (no)
I suggest not (why) cause i`ll drop ya
see london city be the city for the dreamers
the city of the hustlers the real night crawlers
where night dont stop us you dont wanna test us
that boy said he want it damn I let him have it
so I put two lines in two songs
making two hits now he weeps
mother**cker never fu** with d
am da next upcoming am a ruthless best cause ama

Hook

Renegade tougher that that pissed off lion
that pissed off tiger that tucked in hmm
that mike tyson punch on a really bad day
u dont want it damn am ruthless men cause ama (x2)

Verse 2

Damidamon hell yea I stay focused
that boy said he ballin he got the ford focus
we aint friends hommie keep your distance
cause I might run up on you with a (laughs)
listen damidamon be the best in da city
anybody wanna test tell that fool keep dreaming
I hold on to my mic like I do my women
fully satisfied so they get real jealous (cold)
damidamon rolling in my brand new benz
my droptop benz you know that blue white benz
on da perreli 22`s windows all black
keeping haterz guessing yes we on point

I dont wanna be your friend I dont wanna be your
hommie
I dont owe nobody shit cause nothing was done for me
anybody say I owe him tell him speak now
or forever hold your peace cause youre a big liar
damidamons so bad damn hes so rude
I dont listen to his music his a lost cause
I dont give a fu** what you think about me
am dami motherfu**ing damon u can suck my di**
cause ama

Hook
Renegade tougher than that pissed off lion
that pissed off tiger that tucked in hmm
that mike tyson punch on a really bad day
u dont want it damn am ruthless men cause ama (x6)

Outro
Shout out to the big hommie Jay z
big ups Eminem
London City all day baby
Damidamon
now every body lets bounce
common bounce just bounce (x6)
u can bounce off the roof I dont give a haha
London City all day Damidamon
signing out tough entertainment peace.
