Its a brand new day finally summer  
the girls look pretty all smiles no frown

the top down low on my droptop benz  
we wanna have fun so its on and poppin  
we pulled out the benz so we gonna go crazy  
hey girl u look good in that skimpy short  
nice thigh nice ass you`re a summer hottie  
now she smiles she likes my style  
shes heard about D she likes what she sees  
on my blue white ish yea take a sit  
right here on my lap left hand on her hip  
right on her thigh now shes mine  
goddamn shes fine I had to make her mine  
she digs my style class on point  
goddamn I love summer my summertime love

I pull up in da benz she likes my ride

her fingers on my face while she giggles at my jokes  
she says am da one she can tell by my eyes  
da eyes dont lie you`re my summertime love

da girls go crazy but she knows shes da one  
trying out the outfits shawty looking good
