Fear can hold you prisoner  
Hope can set you free

This is my last request  
Will you forgive me for what I have done?  
I've come to realise as the years passed me by  
I made a mistake  
I was living a lie

I hope that the ocean will be as blue as in my dreams  
I hope that one day I will see my friend again  
I know I'm soon to see and find  
That I'm nothing on the outside  
I hope  
I hope

Just me all alone in my empty cell  
My thoughts echo throughout this old and lonely shell  
And it was in the cold of night  
I dreamt of a day  
I'd be released from this hell  
Forgiven...

I hope that the ocean's under the bluest sky and I recall  
I think that I've been there in my dreams before  
I know that in life it set me free

And I'll keep holding on  
I hope

Get me out of this hell  
I spent too long dying in this prison cell  
Will you set me free?  
Release the pain of life from me

Tell me what u see  
This old tired man is what's left of me  
Would you set it free?  
The only thing left, the hope in me

Hope never dies

Can I be condemned for life  
For my mistakes?  
You know I regret what I have done  
Can I seek forgiveness in my soul?  
To set me free  
Set me free

I hope that the ocean's under the bluest sky and I recall  
I think that I've been there in my dreams before  
I know that one day we'll meet again  
And I'll keep holding on  
I hope
