VERSE 1:

I don't know what you contemplate

Living there, will be back someday.

I feel it burning, burning.

What about me? Where's the love?

VERSE 2:

I don't need any words of pride,

Been through hell, still I don't know why

I keep on coming, coming

To the one I need to free

CHORUS:

You're asking: "What's the price?"

How much for your love tonight?

So tell me: "What's the price?"

How much for your soul tonight?

VERSE 3:

It's not the love that I dreamt of babe

Need me now, will be gone one day

You need me burning, burning

Lost for words, wanna stay away

VERSE 4:

I donâ€™t need any words of pride,

Been through hell, I donâ€™t know why

I keep on coming, coming

To the one I need to free, yeah
