We both know that I shouldn't be here  
This is wrong  
And baby it's killing me  
It's killing you  
But both of us trying to be strong  
I've got somewhere else to be  
Promises to keep  
Someone else who loves me  
And trusted me fast asleep  
I've made up my mind  
There is no turning back  
She's been good to me  
And she deserves better than that

It's the hardest thing  
I'll ever have to do  
To look you in the eye  
And tell you i don't love you  
It's the hardest thing  
I'll ever have to lie  
To show no emotion  
When you start to cry  
I can't let you see  
What you mean to me  
When my hands are tied  
And my hearts not free  
We're not meant to be  
It's the hardest thing  
I'll ever have to do  
To turn around and walk away  
Pretending i don't love you

I know we'll meet again  
Fate has a place and time  
So you can get on with your life  
I've got to be cruel to be kind  
Like Doctor Zhivago  
All my love i'll be sending  
And you'll never know  
'Cause there can be no happy ending

It's the hardest thing  
I'll ever have to do  
To look you in the eye  
And tell you i don't love you  
It's the hardest thing  
I'll ever have to lie  
To show no emotion  
When you start to cry  
I can't let you see  
What you mean to me  
When my hands are tied  
And my hearts not free  
We're not meant to be  
It's the hardest thing  
I'll ever have to do  
To turn around and walk away  
Pretending i don't love you

Maybe another time, another day  
As much as I want to I can't stay  
I've made up my mind  
There's no turning back  
She's been good to be  
And she deserves better than that

It's the hardest thing  
I'll ever have to do  
To look you in the eye  
And tell you i don't love you  
It's the hardest thing  
I'll ever have to lie  
To show no emotion  
When you start to cry  
I can't let you see  
What you mean to me  
When my hands are tied  
And my hearts not free  
We're not meant to be  
It's the hardest thing  
I'll ever have to do  
To turn around and walk away  
Pretending i don't love you
