I can't remember why we fell apart
From something that was so meant to be, yeah
Forever was the promise in our hearts
Now, more and more I wonder where you are
[Chorus]
Do I ever cross your mind, anytime
Do you ever wake up reaching out for me
Do I ever cross your mind anytime
I miss you
Still have your picture in a frame
Hear your footsteps down the hall
I swear I hear your voice, driving me insane
How I wish that you would call
To say
Chorus
I miss you
I miss you
(No more) loneliness and heartache
(No more) crying myself to sleep
(Don't want no more) wondering about tomorrow
Won't you come back to me
Come back to me, oh
Chorus
Chorus
I miss you
I miss you
I miss you
