The kisses of the sun - were sweet i didn't blink
I let it in my eyes - like an exotic dream
The radio playing songs - that i have never heard
I don't know what to say - oh not another word

Chorus:

Just - la la la la la ~ it goes around the world
Just - la la la la la - it's all around the world
Just - la la la la la - and everybody's singing
La la la la la - and now the bells are ringing

La la la la la ~ la la la la la la la ~ la la la la la ~ la
la la la la la
La la la la la ~ la la la la la la la ~ la la la la la ~ la
la la la la la

Inside an empty room - my inspiration flows
Now wait to hear the tune - around my head it goes
The magic melody - you want to sing with me
Just la la la la la ~ the music is the key
And now the night is gone - still it goes on and on
So deep inside of me - i long to set it free
I don't know what to do - just can't explain to you
I don't know what to say ~ oh not another word

Chorus:

Just - la la la la la ~ it goes around the world
Just - la la la la la - it's all around the world
Just ~ la la la la la - and everybody's singing
La la la la la - and now the bells are ringing

La la la la la ~ la la la la la la la ~ la la la la la ~ la
la la la la la
La la la la la ~ la la la la la la la ~ la la la la la ~ la
la la la la la

The kisses of the sun

La la la la la ~ it goes around the world
Just - la la la la la - it's all around the world
Just - la la la la la - and everybody's singing

La la la la la - and now the bells are ringing
