I took her out it was Friday night  
I wore cologne to get the feeling right  
we started making out and she took off my pants  
but then I turned on the TV

And that's about the time that she walked away from  
me  
nobody likes you when you're 23  
and are still more amused by TV shows  
what the hell is ADD?  
my friends say I should act my age  
what's my age again?  
what's my age again?

Then later on, on the drive home  
I called her mom from a pay phone  
I said I was the cops  
and your husband's in jail  
this state looks down on sodomy

And that's about the time that bitch hung up on me  
nobody likes you when you're 23  
and are still more amused by prank phone calls  
what the hell is call ID?  
my friends say I should act my age  
what's my age again?  
what is my age again?

(Musical Solo)

And that's about the time she walked away from me  
nobody likes you when you're 23  
and you still act like you're in Freshman year  
what the hell is wrong with me?  
my friends say I should act my age  
what's my age again?

And that's about the time she broke up with me  
no one should take themselves so seriously  
with many years ahead to fall in line  
why would you wish that on me?

I never want to act my age  
what's my age again?  
what's my age again?

What's my age again?
