I'm doing this tonight
You're probably gonna start a fight
I know this can't be right
Hey baby c'mon
I loved you endlessly
And you weren't there for me
So now it's time to leave and make it alone
I know that I can't take no more
It ain't no lie
I wanna see you out that door
baby bye bye bye

Don't wanna be a fool for you
Just another player in your game for two
You may hate me but it ain't no lie
Baby bye bye bye
Don't really wanna make it tough
I just wanna tell you that I've had enough
It might sound crazy but it ain't no lie
Baby bye bye bye

Just hit me with the truth
Girl you're more than welcome to
So give me one good reason
Baby c'mon
I lived for you and me
And now I've really come to see
That life would be much better once you're gone
I know that I can't take no more
It ain't no lie
I wanna see you out that door
Baby bye bye bye
(chorus)

I'm givin' up I know for sure
I don't wanna be the reason for your love no more
Bye bye
I'm checking out I'm signing off
I don't wanna be the loser and i've had enough

I don't wanna be your fool
In this game for two

So I'm leavin' you behind

Bye bye bye

I don't wanna make it tough

But i've had enough

And it ain't no lie

Bye bye

I don't wanna be a fool for you

Just another player in your game for two

I don't wanna be your fool

But it ain't no lie

Baby bye bye bye

Don't really wanna make it tough

I just wanna tell you that i've had enough

lit might sound crazy but it ain't no lie

Baby bye bye bye
