I need your arms around me  
I need to feel your touch  
I need your understanding  
I need your love, so much  
You tell me that you love me so  
You tell me that you care  
But when I need you (baby)  
Baby, (you're never there)

On the phone long, long distance  
Always through such strong resistance  
First you say you're too busy  
I wonder if you even miss me

Chorus:  
Never there  
You're never there  
You're never ever, ever, ever, there

(Trumpet Break)  
A golden bird that flies away  
A candle's fickle flame  
To think I held you yesterday  
Your love was just a game  
A golden bird that flies away  
A candle's fickle flame  
To think I held you yesterday  
Your love was just a game

You tell me that you love me so  
You tell me that you care  
But when I need you (baby)  
Baby!

Take the time to get to know me  
If you want me why can't you just show me  
We're always on this roller coaster  
If you want me why can't you get closer

Chorus X2
