Guess what i did today
Those were the words i said to you
It was last May, don't know the exact day
In my hand there was a ring
then you told me that you loved me
More than anything in your life
So i asked you would you do me
The honor of being my wife (yes i will)
I will be your man, your protector, your best friend
'Til my humble life is ended
Then time begins again (couldn't we)

Couldn't we be happily ever after
We could be strong together for so long
(our love will grow so strong)
Couldn't we be happily ever after (couldn't we be, baby)
Leaving you never till forever gone

When i was away (umm...hmm)
Some friends became just faces
Some people grew apart
But you stayed right in my heart
In so many times, could picture this day inside my
mind
And for so many years, ooh i knew it would be you here
with me,
ooh (yes i will)
Take you for my wife, the center of my life
And i will never ever fade
From this choice i've made, ooh..oh

Couldn't we be happily ever after (come on)
We could be strong together for so long
Couldn't we be happily ever after
Leaving you never stays forever strong (hey...ooh...hey
yeah)

You don't have to look no further than me
(don't look no more, baby yeah)
You don't need much more than my lovin' to make you
happy

(I'm so happy, babe)
Beneath the sign of God, i will make this vow to you
(come on baby)
I'll be right here, stay with me (said ill be here, baby
hey)

Couldn't we be happily ever after
We could be strong together for so long
Couldn't we be happily ever after
Leaving you never stays forever strong
(no, no i will never leave you, ooh)
