[Tricky]

Yeah, Mya

Red Zone, wha-what?

Uh

[Mya]

It's after midnight

And she's on your phone (phone)

Saying come over

Cause she's all alone (lone)

I could tell it was your ex

By your tone (tone)

But why is she calling now?

After so long

1 - Now what is that she wants?

Tell me what is that she needs?

Did she hear about the brand new Benz?

That you just bought for me

Cause y'all don't have no kids

Didn't shared no mutual friends

And you told me that she turned trick

When y'all broke up in '96

2 - What'cha gonna do

When you can't say no

And your feelings start to show

Boy I really need to know

And how you gonna act

How you gonna handle that

What'cha gonna do when she wants you back

Repeat 2

There's no need to

Reminisce about the past (past)

Obviously cause that shit did not last (last)

I know how a woman will try to game you (you)

So don't get caught up

Because baby you'll lose

Repeat 1

Repeat 2 (4x)

Tell me why she on the phone?  
In the middle of the night  
Tell me why she in your life?  
Trying to get what's mine  
She don't know me  
She's about to know me  
I'm in your life  
That's how its gon' be  
I've seen her photo  
She ain't even all that  
So if you want her back  
You can take her back  
Cause game recognize game  
I could do the same thing  
Get it right, change  
Or take back this ring

Repeat 2 (4x)

[Tricky]  
Yo, playboy right now, uh  
Uh, Mya, think girl, think girl  
What? What? What? What? Uh!  
Red Zone, wheeoooh
