I don't have to question
Where you were last night
Cause I already know what you will say
I already know you'll lie

But I can't be mad at ya
Cause there's something that you don't know
That when your gone I do my own thing
Can I catch a bone? Why you dogging me?

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop
Just don't think I'm not, cause I'm out getting mine

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop
Just don't think I'm not, cause I'm out getting mine

When I try to get your attention
You ignore me everytime
You were so caught up doing your dirt
That you didn't notice mine

Well I couldn't put up with your scheming
And I couldn't put up with your lies
They say two wrongs won't make it right
But we still didn't need this fight

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop
Just don't think I'm not, cause I'm out getting mine

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop

Just don't think I'm not, cause I'm out getting mine

Don't be surprised to know that sometimes women play
the game

You may not believe it, but it's real
The game is so real, so real, so real
Oh, don't think we won't do it
When your out in the club....

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop
Just don't think I'm not, cause I'm out getting mine

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop
Just don't think I'm not, cause I'm out getting mine

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop
Just don't think I'm not, cause I'm out getting mine

When your out in the club, don't think I'm not
Even when your out making love, don't think I'm not
When your feeling good in somebody's spot, getting
hot, don't stop
Just don't think I'm not, cause I'm out getting mine
