Desperate for changing  
Starving for truth  
I'm closer to where I started  
I'm chasing after you

I'm falling even more in love with you  
Letting go of all I've held on to  
I'm standing here until you make me move  
I'm hanging by a moment here with you

Forgetting all I'm lacking  
Completely incomplete  
I'll take your invitation  
You take all of me now

I'm falling even more in love with you  
Letting go of all I've held on to  
I'm standing here until you make me move  
I'm hanging by a moment here with you

I'm living for the only thing I know  
I'm running and I question where to go  
And I don't know what I'm tapping into  
Just hanging by a moment here with you

There's nothing else to lose  
There's nothing else to find  
There's nothing in the world  
That can change my mind  
There is nothing else  
There is nothing else  
There is nothing else

Desperate for changing  
Starving for truth  
I'm closer to where I started  
I'm chasing after you

I'm falling even more in love with you  
Letting go of all I've held on to  
I'm standing here until you make me move  
I'm hanging by a moment here with you

I'm living for the only thing I know  
I'm running and I question where to go  
And I don't know what I'm tapping into  
Just hanging by a moment here with you

Just hanging by a moment  
Hanging by a moment  
Hanging by a moment  
Hanging by a moment here with you
