Guess what I did today  
Those were the words I said to you  
It was last May, don't know the exact day  
In my hand there was a ring  
Then you told me that you loved me  
More than anything in your life  
So I asked you would you do me  
The honor of being my wife

(Yes I will)  
I will be your man  
Your protector, your best friend  
'Till my humble life is ended  
And time begins again, couldn't we

1 - Couldn't we be happily ever after?  
We could be strong together for so long  
Couldn't we be happily ever after?  
Leavin' you never 'till forever's gone

When I was away, mmm, mmm  
Some friends became just faces  
Some people grew apart  
But you stayed right in my heart  
And so many times  
Pictured this day inside my mind  
And for so many years, ooh  
I knew it would be you here with me, oh  
(Yes I will)  
Take you for my wife  
The center of my life  
And I will never, ever fade  
From this choice I made, oh

Repeat 1

Hey yeah  
You don't have to look no further than me  
Don't look no more, baby yeah  
You don't need much more than my lovin' to make you  
happy  
I'm so happy, I'm so happy babe

Beneath the sight of God  
I will make this vow to you  
So come on baby  
I'll be right here, stay with me  
Said I'll be here baby, hey

Repeat 1 until fade
