Every time your near baby
I get kinda crazy in my head for you
I don't know what to do
And oh baby
I get kinda shaky when they mention you
I just lose my cool
My friends tell me
Something has come over me
And I think I know what it is

CHORUS

I think I'm in love
Boy I think that I'm in love with you
I'll be doin silly things when it comes to you
Boy I think that I'm in love with you
I've been tellin all my friends what I feel for you

Just the other night baby
I saw you hangin you were with your crew
I was with mine too
You took me by surprise
When you turned and looked me in my eyes
Oh you really blew my mind
I don't know what's gotten into me
But I kinda think I know what it is

CHORUS x2

Something strange has come over me
Got me goin out of my mind
Never met a guy like you before
You make me feel special inside

CHORUS
