I try  
But I can't seem to get myself to think of anything but  
you  
Your breath on my face  
Your warm gentle kiss I taste  
That's true  
I taste the truth  
U know what I came here for  
So I wont ask for more

I wanna be with you  
If only for one night....to be the one who's in your arms  
who holds you tight  
I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to feel this way  
I wanna be with U

So I'll hope for tonite like I would if you were mine, to  
hold, forever more  
And I'll savor his touch that I wanted so much  
To be here before, to feel before  
how beautiful it is just to be like this

I wanna be with you  
If only for one night....to be the one who's in your arms  
who holds you tight  
I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to feel this way  
I wanna be with u  
Oh, baby , I cant fight this feeling anymore  
Drives me crazy when I try to  
So come my way, take my hand,  
Can U make my wish, baby you are in command

I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to ferl this way  
I wanna be with U  
I wanna be with U  
wanna be with U

Ooo, yeaaa

I wanna be, I wanna be with U  
I wanna be I wanna be, I wanna be

Yeaa

I wanna be I wanna be, yea

I wanna be (I wanna be with you)

I wanna be with you yea

I wanna be with you
