From the Wood soundtrack

Yeah, oh yeah

Alright, oh, oh, oh

It's amazing how you knock me off my feet, hmm
Everytime you come around me I get weak, oh yeah
Nobody ever made me feel this way, oh
You kiss my lips and then you take my breath away
So I wanna know

1 - I wanna know what turns you on
So I can be all that and more
I'd like to know what makes you cry
So I can be the one who always makes you smile

Girl he never understood what you were worth, hmm no
And he never took the time to make it work
(You deserve more loving, girl)
Baby I'm the type of man to show concern, yes I do, oh
Anyway that I can please you let me learn
So I wanna know

Repeat 1

2 - Tell me what I gotta do to please you
Baby anything you say I'll do
Cause I only wanna make you happy
From the bottom of my heart, it's true

Repeat 2

I wish that I could take a journey through your mind,
alright
And find emotions that you always try to hide babe, oh
I do believe that there's a love you wanna share, oh, oh
I'll take good care of you lady, have no fear, oh
So I wanna know

Repeat 1

Repeat 2 (2x)

Repeat 1 till end
