Verse 1:

Bright Lights, Fancy Restaurants
Everything in this world that a man could want.
I got a bank account bigger than the law should allow
Still I'm lonely now
Pretty Faces from the covers of a magazine
From their covers to my covers wanna lay with me.
Fame and Fortune still can't find, just a grown man
runnin' out of time

Chorus:

Though it seems I have everything
I dont wanna be a lonely fool
All of the women, all the expensive cars, all the money
don't amount to you.
So I can make believe I have everything, but I can't
pretend that I don't see.
That without you girl my life is incomplete.

Verse 2:

Listen.
Your perfume, your sexy lingerie.
Girl I remember it just like it was on yesterday.
A Thursday you told me you had fallen in love, I wasn't
sure that I was.
it's been a year-Winter, Summer, Spring and Fall.
But being without you just aint livin' aint livin'at all
If I could travel back in time, I'd relive the days you
were mine.

Chorus:

Even though it seems I have everything
I don't wanna be a lonely fool.
All of the women, all the expensive cars, all of the
money don't amount to you.
I cam make believe I have everything, but I can't
pretend that I don't see
That without you girl my life is incomplete.

Verse 3:

I just can't help lovin' you
But I loved you much too late.

I'd give anything and everything to hear you say, that
you'll stay

Chorus:

Even though it seems I have everything.

I don't wanna be a lonely fool.

All of the women, all of the expensive cars, all of the
money don't amount to you.

(you can have it all) I can make believe I have
everything, but I can't pretend that I don't see. (Just
give me my baby)

That without you girl my life is incomplete.

Repeat Chorus
