Tell me it's real  
This feeling that we feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try  
Is all we have to do  
It's up to me and you  
To make this special love last forever more

Baby you told me that you love me and you'd never  
leave my side  
To the bitter end  
Through the thick and thin  
You promised me baby that you wasn't going anywhere  
Yes you did  
Baby keep it real  
Let me know just how you feel

Tell me it's real  
This feeling that we feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try  
Is all we have to do  
It's up to me and you  
To make this special love last forever more

I can't explain the way you make me feel  
Every time that you tell me that you love me  
And you know you did  
So many times  
Just when I thought that love could never be a part of  
me  
That's when you came along  
You showed me happiness  
Baby you are the best  
I think you're different from the rest  
And I really love you

Tell me it's real  
This feeling that we feel

Tell me that it's real  
Don't let love come just to pass us by  
Try  
Is all we have to do  
It's up to me and you  
To make this special love last forever more

Tell me it's real  
This feeling that I feel  
Tell me it's real  
For your love  
I would do anything

Tell me it's real  
This feeling that we feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try  
Is all we have to do  
It's up to me and you (oh yeah)  
To make this special love last forever more

Tell me it's real  
This feeling that we feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try  
Is all we have to do (is all we have to do)  
It's up to me and you  
To make this special love last forever more

(Do you really love me?  
Do you really care?  
You promised me that you'd never leave my side  
You promised that you'd always be there)

Tell me it's real  
This feeling that we feel  
Tell me that it's real  
Don't let love come just to pass us by  
Try  
Is all we have to do  
It's up to me and you  
To make this special love last forever more

(I'll be there for you baby  
If you be there for me sweetheart  
I thought that we were meant to be  
For eternity  
I thought you loved me baby  
And mamma told me take it slow

Boy you just don't know  
Anything about love  
If you and I were meant to be  
Then you would know  
It would show by the end of this song)
