1 - You think you gotta keep me iced  
You don't  
You think I'm gonna spend your cash  
I won't  
Even if you were broke  
My love don't cost a thing  
Think I wanna drive your Benz  
I don't  
If I wanna floss I got my own  
Even if you were broke  
My love don't cost a thing

When you rolled up in the Escalade  
Saw that truck you gave to the valet  
Knew that it was game when you looked at me  
Pulling up your sleeve so I could see the Rolley bling  
Saw you later in the corner booth  
Raising up a toast so I would notice you  
But your heart's a mess  
Think you outta know  
Doesn't matter if you're balling out of control

2 - All that matter's is  
That you treat me right  
Give me all the things I need  
That money can't buy yeah

Repeat 1

When I took a chance  
Thought you'd understand  
Baby credit cards aren't romance  
So you're tryna buy what's already yours  
What I need from is not available in stores  
Seen a side of you that I really feel  
Doing way too much, never keep it real  
If it doesn't change, gotta hit the road  
Now I'm leaving, where's my keys?  
I've got to go

Repeat 2

Repeat 1

A thing, a thing, a thing  
Yeah, yeah, yeah  
You think the money that you make  
Can substitute the time you take  
Take the keys here to my heart  
Then you can win my heart, and get what's in my heart  
I think you need to take some time  
To show me that your love is true  
There's more than dollar signs in you  
Then you can win my heart, and get what's in my heart

Repeat 1 till end
