Hangin' 'round downtown by myself
and I had so much time to sit and think about myself
and then there she was
like double cherry pie yeah there she was
like disco superfly

I smell sex and candy here, mmm
who's that loungin' in my chair, mmm
who's that castin' devious stares in my direction
mama this surely is a dream, yeah
yeah mama this surely is a dream, dig it

Hangin' 'round downtown by myself
and I had too much caffeine and I was thinkin' about
myself
and then there she was
in platform double suede yeah there she was
like disco lemonade

I smell sex and candy here, mmm
who's that loungin' in my chair, mmm
who's that castin' devious stares in my direction
mama this surely is a dream, yeah
yeah mama this surely is a dream, dig it
yeah mama this surely is a dream, yeah

I smell sex and candy here, mmm
who's that loungin' in my chair, mmm
who's that castin' devious stares in my direction
mama this surely is a dream, dig it
yeah mama this surely is a dream, mmm
yeah mama this surely is a dream, yeah
yeah mama this must be my dream!
