A few questions that I need to know,  
how you could ever hurt me so,  
I need to know what I've done wrong,  
and how long it's been going on,  
Was it that I never paid enough attention?  
Or did I not give not affection?  
Not only will your answers keep me sane  
but I'll know never to make the same mistake again.  
You can tell me to my face or even on the phone.  
You can write it in a letter, either way, I have to know.  
Did I never treat you right?  
Did I always start the fight?  
Either way, I'm going out of my mind,  
all the answers to my questions,  
I have to find.

My head's spinning,  
boy, I'm in a daze,  
I feel isolated,  
don't wanna communicate,  
I'll take a shower, I will scour,  
I will roam.....  
To find peace of mind,  
the happy mind, I once owned, yeah.  
Flexing vocabulary runs right through me,  
the alphabet runs right from A to Z,  
Conversations, hesitations in my mind,  
You got my conscience asking questions that I can't  
find,  
I'm not crazy, I'm sure I ain't done nothing wrong,  
I'm just waiting, 'cause I heard this feeling  
won't last that long.  
Never Ever have I ever felt so low,  
When you gonna take me out of this black hole?  
Never Ever have I ever felt so sad,  
The way I'm feeling yeah, you got me feeling really  
bad,

Never Ever have I had to find,  
I've had to dig away to find my own peace of mind,  
I've Never Ever had my conscience to fight,  
The way I'm feeling, yeah, I just don't feel right. x2

I'll keep searching deep within my soul,  
For all the answers, I don't wanna hurt no more,  
I need peace, got to feel at ease, need to be.....  
Free from pain, I'm going insane, my heart aches,  
yeah.  
Sometimes vocabulary runs right through my head,  
the alphabet runs right from A to Z ,  
Conversations, hesitations in my mind,  
You got my conscience asking questions that I can't  
find,  
I'm not crazy, I'm sure I ain't done nothing wrong,  
I'm just waiting, 'cause I heard this feeling won't  
last that long.  
Never Ever have I ever felt so low,  
When you gonna take me out of this black hole?  
Never Ever have I ever felt so sad,  
The way I'm feeling yeah, you got me feeling really  
bad,  
Never Ever have I had to find,  
I've had to dig away to find my own peace of mind,  
I've Never Ever had my conscience to fight,  
The way I'm feeling, yeah, I just don't feel right. x4  
You can tell me to my face, You can tell me on the  
phone,  
Uh, You can write it in a letter, babe, 'Cause I really  
need to know.  
You can tell me to my face, You can tell me on the  
phone,  
Uh, You can write it in a letter, babe, 'Cause I really  
need to know.  
You can write it in a letter, babe, You can write it in a  
letter, babe.
