We've got stars directing our fate
And we're praying it's not too late
Millennium

Some say that we are players
Some say that we are pawns
But we've been making money
Since they day that we were born
Got to slow down 'cos we're low down

Run around in circles
Live a life of solitude
Till we find ourselves a partner someone to
Relate to
Then we'll slow down
Before we fall down

We've got stars directing our fate
And we're praying it's not too late
'Cos we know we're falling from grace
Millennium

Live for liposuction
And detox for your rent
Overdose at Christmas
And give it up for Lent

My friends are all so cynical
They refuse to keep the faith
We all enjoy the madness
'Cos we know we're going to fade away

We've got stars directing our fate
And we're praying it's not too late
'Cos we know we're falling from grace
Millennium

Come and have a go if you think you are hard enough
Come and have a go if you think you are hard enough
Millennium

We've got stars directing our fate
And we're praying it's not too late
'Cos we know we're falling from grace
Millennium

And when we come we always come too late
I often think that we were born to hate
Get up and see the sarcasm in my eyes

And when we come we always come too late
I often think that we were born to hate
Get up and see the sarcasm in my eyes

We've got stars directing our fate
Millennium
And we're praying it's not too late
Millennium
'Cos we know we're falling from grace
Millennium
