There are times
When I look above
And beyond
There are times when I feel your love
Around me baby
I'll never forget my baby
(I'll never forget you)

There are times when I look above and beyond
There are times when I feel your love around me baby
I'll never forget my baby

When I feel that I don't belong
Draw my strength
From the words when you said
Hey it's about you baby
Look deeper inside you baby

BRIDGE

Dream about us together again
What I want us together again baby
I know we'll be together again 'cause

CHORUS:

Everywhere I go
Every smile I see
I know you are there
Smilin back at me
Dancin in moonlight
I know you are free
'cause I can see your star
Shinin down on me

(together again, ooh)
Good times we'll share again
(together again, ooh)
Makes me wanna dance
(together again, ooh)
Say it loud and proud
(together again, ooh)
All my love's for you
Always been a true angel to me

Now above
I can't wait for you to wrap your wings around me baby
Oooh wrap them around me baby

Sometimes hear you whisperin
No more pain
No worries will you ever see now baby
I'm so happy for my baby

BRIDGE

CHORUS

(together again, ooh)
Good times we'll share again
(together again, ooh)
Ooh it makes me wanna dance
(together again, ooh)
Say it loud and proud
(together again, ooh)
All my love's for you

There are times when I look above and beyond
There are times when I feel you smile upon me baby
I'll never forget my baby

What I'd give just to hold you close
As on earth
In heaven we will be together baby
Together again my baby

CHORUS (2x)
