Wake up kids  
We've got the dreamers disease  
Age fourteen  
They got you down on your knees  
So polite  
You're busy still saying please  
Frenemies  
Who when you're down ain't your friend  
Every night  
We smash their mercedes-benz  
First we run  
And then we laugh 'til we cry  
But when the night is falling  
And you cannot find the light  
If you feel your dream is dying  
Hold tight  
You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give  
Four a.m. we ran the miracle mile  
We're flat broke  
But hey we do it in style  
The bad rich  
God's flying in for your trial  
But when the night is falling  
And you cannot find a friend  
You feel your tree is breaking  
Just bend  
You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
The world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget

We only get what we give  
This whole damn world can fall apart  
You'll be ok follow your heart  
You're in harms way I'm right behind  
Now say you're mine  
You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
The world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget  
We only get what we give  
Don't let go  
I feel the music in you  
Fly high  
What's real can't die  
You only get what you give  
You're gonna get what you give  
Just don't be afraid to leave  
Health insurance rip off lying  
FDA big bankers buying  
Fake computer crashes dining  
Cloning while they're multiplying  
Fashion shoots with Beck and Hanson  
Courtney Love and Marilyn Manson  
You're all fakes run to your mansions  
Come round here we'll kick your asses.
