Don't leave me lonely, don't lose my number  
My heart is bleeding, like storm and thunder  
I'm not over you, I'm not over you

Don't cross the river, if there's a fire  
can we'll be sure girl, there's no desire  
I'm not over you, I'm not over you

Was it a dream, or was it real  
Was it a joke, I'm fantasy.

Don't think about me, when you break my heart  
Don't think about me, if you break apart  
Don't think about me, if you hold his hand  
Don't think about me, I'll understand  
Don't think about me, when you try to go  
Don't think about me, and the time will show  
Don't think about me, after all this years  
Don't think about me and all my tears  
Don't think about me.

It's not the way girl, the story's ending  
It's not the words girl, you were pretending  
I'm not over you, I'm not over you

Don't send me rainbows, I need emotions  
Looks like a heartache, in deep devotion  
I'm not over you, I'm not over you

Was it a dream, or was it real  
was it a joke, a fantasy

Don't think about me, when you break my heart  
Don't think about me, if you break apart  
Don't think about me, if you hold his hand  
Don't think about me, I'll understand  
Don't think about me, when you try to go  
Don't think about me, and the time will show  
Don't think about me, after all this years  
Don't think about me and all my tears

Was it a dream, or was it real

Was it a joke, a fantasy

Don't think about me, when you break my heart

Don't think about me, if you break apart

Don't think about me, if you hold his hand

Don't think about me, I'll understand

Don't think about me, when you try to go

Don't think about me, and the time will show

Don't think about me, after all this years

Don't think about me and all my tears

Don't think about me

Don't think about me
